 4 57 after breakfast helping P Doolan there was there
 Mooney & Nipper helping up to 11.45 after
 dinner I went down again Nipper did not come
 at all Mooney showed up at 3.55 long
 dinner hours could have finished the Stack
 by 4 o'clock had everyone done his share
 but they are such a damnation lazy
 lot I could not stand it after 5.30 so
 come home & let them do the best they
could KNOW ALL LEFT or what you
call in England THEE PRECOIOUS BOY

13/11 Friday

S R Beeson Snr Wood carting Beeson Jnr with the rest of
 4 56 the men out carting Hay P Doolan said he wanted
 his a/c made up as he would not stand it any longer
 What the reason was I could not say I can only
 surmise that it was owing to so lazy a lot as

he had with him I consider myself the number
of men in Maleys employ the whole of the Hay
should have been in the Stack and thatched by
this time without the least trouble providing they
all had their hearts in the right place KILLD
Two PIGS THIS EVENING got a half Pt of Drink
from the Hotel could not say what was the mixture
plenty of FLIES something light
